6 sheets of designs for photocopying.

Suggested colour coding for designs.

Instructions for use.

Instructions for use:

It is a good idea to practice on a piece of scrap paper prior to commencing design work.

Use the black paint to create your design.

Ensure there are no gaps in the design and leave to dry thoroughly.

Paint in the required colours using a brush.

Leave to dry.

Rinse brushes well with water after use,

Useful hints:

When working on acetate sheets etc., it is a good idea to secure the design to the working surface to prevent design slipping.

Mix the basic range of paints together to create additional colours.

Black, Gold and Silver can be used as outliners.

Paints can be thinned with water if required.

**Paints should be used for decorative purposes only. Not dishwasher proof.*

Washing Instructions:

Wash out of clothes immediately before the paint has had time to dry.

Pre-soak stained garment for several hours in cool water with a small amount of mild soap.

Rub gently by hand until the stain has been removed and then wash in accordance with the garment manufacturer's instructions.

**It is important to pre-soak the garment in cool water prior to machine washing.*
